

2021 TalentNomics Global Game Changer Awards Sponsorship and Individual Donation Support

What

TalentNomics is seeking your support for our Global Game Changer Awards to recognize and celebrate individuals and organizations that champion women's leadership opportunities around the world. Many individuals and organizations are making remarkable contributions. Yet, their stories often remain untold and unheard. Your support will enable us to share their stories and recognize individuals and organizations at the TalentNomics Game Changers Awards Ceremony in December 2021.

Why

We are seeking financial support in the form of a sponsorship or individual donation (see below) to cover awards ceremony and awardee recognition expenses. We will provide each awardee with the opportunity to contribute to charities that support women and girls and communicate their ideas and perspectives on how to create a leadership "ripple" effect for women around the world. Mentoring and coaching will also be provided to a nominee of each awardee.

- Corporate Sponsor \$2500
- Platinum Sponsor \$5000
- Individual Donation (any amount)

Impact

Your support of the TalentNomics Global Game Changer Awards raises the profile of individuals and organizations expanding opportunities for women, celebrates their contributions, and encourages others to join their efforts to positively impact women's lives worldwide. As a sponsor or donor, you will play a major role in demonstrating the core values that support equal opportunities for women to achieve their potential. Sponsors and donors of \$2500 or more will be:

- publicly recognized and provided the opportunity to communicate their support of women's leadership during the virtual Awards Ceremony on December 8, 2021, the eve of TalentNomics India's conference. Both events are expected to have a global audience; and
- offered global executive mentoring to two employees/nominees.
